

## Card Collection 2009 CHARDONNAY

Card Collection is an exotic collection of wines from mediterranean grape varieties sourced predominantly from our premium vineyards, creating fine wines that are fruit driven and flavoursome.

### VINTAGE

Vintage started two weeks earlier than previous years due mainly to the drought and warm weather. Yields were significantly lower but the quality of the fruit was exceptional. Diversity of regions will stamp the 2009 vintage apart from preceding years.

### WINEMAKING

The grapes were machine harvested in the cool of the night, crushed and pressed before the chilled juice was clarified. Fermentation followed to ensure the wine retained the intense fruit aromas and flavours typical of chardonnay.

### COLOUR

Deep straw in colour with green hues.

### BOUQUET

Fresh citrus and honeydew melon aromas with a hint of cashew nuts.

### PALATE

Vibrant lemon and melon flavours with a touch of ripe white flesh peach followed by a fresh zesty lime finish.

### SUGGESTED FOOD

Enjoy with seafood bisque.

### CELLARING

Ready to drink now. The 2009 Card Collection chardonnay will reward with careful cellaring for a further 3-5 years.
