

Card Collection 2009 SHIRAZ

Card Collection is an exotic collection of wines from mediterranean grape varieties sourced predominantly from our premium vineyards, creating fine wines that are fruit driven and flavoursome.

VINTAGE

Winter rainfall was average, giving good soil moisture levels for budburst in early Spring. Conditions during Spring were dry with minimal frost and no disease pressures allowing for excellent vine canopy management.

WINEMAKING

The grapes were harvested at optimum maturity and fermented at 24 degrees C for 6 days, with pumping over 4 times daily to give excellent colour and extraction. Following the completion of Malo-lactic fermentation, maturation with medium toast American oak was carried out for 12 months prior to blending and bottling.
