

Acrobat

2009 MERLOT SANGIOVESE ROSE

Like our agile acrobat, our talented winemakers deliver a memorable performance with every wine they craft. Acrobat wines are fresh and fruity wines made from premium fruit and are ready to drink now.

VINTAGE

Winter rainfall was average, giving good soil moisture levels for budburst in early Spring. Conditions during Spring were dry with minimal frost and no disease pressures allowing for excellent vine canopy development.

WINEMAKING

Grapes were harvested at optimum maturity and in the cool of the night. The juice was separated and fermented at cool temperatures to maximise fruit characters. Some batches were aged with French oak for 6 months prior to blending and bottling.

COLOUR

Crimson in colour.

BOUQUET

Distinct aromas of red currants and ripe plums.

PALATE

The balance of the fruity merlot and the savoury sangiovese gives the wine a complex and persistent palate with refreshing acidity.

SUGGESTED FOOD

Serve with your favourite cheese platter.

CELLARING

A ready to drink wine, enjoy whilst young and fresh.
