

## Acrobat NV BRUT

Like our agile acrobat, our talented winemakers deliver a memorable performance with every wine they craft. Acrobat wines are fresh and fruity wines made from premium fruit and are ready to drink now.

### VINTAGE

The Acrobat Brut is a blend of chardonnay cuvee that has been produced from Mudgee and surrounding wine regions in NSW. The chardonnay grapes were harvested early to retain natural acidity and flavour styles needed for this quality sparkling wine.

### WINEMAKING

After hand harvesting the grapes were whole bunch pressed and fermented with a special yeast at very cool temperatures. Wine cuvee from different areas of the vineyard were kept separate and matured for over two years. The winemaker then selected the final Acrobat Brut by selective blending of small wine parcels.
